CLASS CANCELLATION POLICY -

It is difficult to know in advance if a class will be cancelled due to bad weather especially in the summer. It can vary from mile to mile - and from hour to hour. So it's unlikely we will know in time to notify students but will post to the Animal Inn Training School Facebook page: <https://www.facebook.com/AnimalInnTraining>

The instructors will decide whether the weather warrants cancelling the class. We don't cancel for rain or heat unless they are exceptional – but would cancel for lightning or tornado warnings.

If a class is cancelled by the instructors, we will give students in that class a credit towards the next agility session. No refunds will be given.

By signing up for a class, you agree to accept all responsibility for your dog's behavior. Animal Inn Training School and their instructors are not liable for any damages or injuries to you or your dogs. Please maintain control over your dog at all times. The instructor will have complete authority in determining whether any disruptive team is to remain in the class.
