Puppy Kindergarten: < 6 months old \$150 for 6 weeks - REGISTER on HOME page

Butterflies and Rainbows. 6 week Puppy Kindergarten class aimed as making your puppy comfortable in new environments with new people and dogs and new sensory experiences. We also focus on training and advice to help you to raise a great adult dog as well as beginning some basic obedience skills. FUN CLASS! Please do not schedule your spay or neuter during the class. There will be no refund or make up classes.

Beginner Obedience: > 6 months old \$175 for 8 weeks - REGISTER on HOME page

The Beginner Obedience class concentrates on basic obedience skills in a distraction rich environment. The main skills include heeling, sit/down/stand, recall, stays in all positions. These skills can help your dog to fit into our society in numerous ways. At home, at the park, on a walk, at the vet, at the groomers and many other ways. There is a reason these basic obedience skills are the cornerstone of our work with dogs.

The first night is lecture with no dogs. More info to follow.

Our primary goal is to help you to keep your dog a positive force in your family. Dogs are very black and white and us humans tend to deal in all sorts of layers of grey. For instance when we say sit and they don't and we repeat it over and over with our voice getting deeper and deeper a dog learns that we don't really mean it the first time. Subtle differences like that can help you to be a great dog owner and a happier one too! So part of what we do is to help you to communicate and speak the dogs language. There is no refund or make up classes.
